

Three Commissioners were appointed by the Circuit Court to be responsible for the operation of the District. The Commissioners have the authority and the duty to act in the best interests of all property owners. They are responsible for the custody, maintenance and physical operation of the facilities owned by the District.

To carry out their mandate, the Commissioners have authority to levy assessments and to establish user fees to raise needed funds. The levy, voted by the Commissioners each year, is applied to a professional assessment of the benefits of the various amenities as they apply to each lot. The levy is included as a separately identified item on the respective county tax bills.

USE OF IMPROVEMENT
DISTRICT FACILITIES

1. Use of recreational and meeting facilities is restricted to property owners, their guests, and others at the discretion of S. I. D. Management. Any person wishing to use a S.I.D. facility may be asked to produce a current S.I.D. Property Owner card or guest card before admission is granted. S.I.D. Identification Cards can be obtained at the S.I.D. office located in the Town Center and should be carried at all times. A non-property owner may be a guest of a property owner and thus be permitted to use certain S.I.D. amenities; however, such use may be restricted and at a different fee.

2. Any property owner is permitted entry and use of S.I.D. facilities during scheduled hours of operation of the respective facilities upon showing his current property owner's card. A fee is charged for certain recreational facilities as outlined elsewhere in these regulations.

3. Membership privileges will be automatically revoked if the property owner is not current on their S.I.D. assessments.

4. Permission for the reservation and use of any S.I.D. facility by an individual must be made in writing to the S.I.D. office and authorization will be given in writing. The fee(s) must be paid in advance.

5. A Facility Rental Form supplied by S.I.D. must be completed by the user and submitted to the S.I.D. office after each meeting or event.

1. Any organization wishing to use a S.I.D. facility free of charge, must be approved by S.I.D. and must file a list of its officers and a copy of its constitution and by-laws, outlining the purpose of the organization, at the S.I.D. office.

- a. Organizations must be open to all property owners.
- b. Dues must be minimal and no admission fee charged.
- c. Officers of the organization must be property owners.

Commissioners. Any organization whose entire Board of Directors are property owners has rights over an organization whose Board of Directors consist of one or more non-property owners. The same applies to organizations whose membership is entirely property owners as opposed to one whose membership includes non-property owners.

For any groups or organizations that promote shows with display booths and/or concessions, and charge admission and/or sell merchandise for financial gain scheduled at any S.I.D. facility, said group/organization shall pay a base rate as required for the facility per day. CHEROKEE VILLAGE SUBURBAN IMPROVEMENT DISTRICT NO. 1

Regulations & Charges for use of Facilities

(Subject to change without notice)

**January 1, 2021
Revised**

SUBURBAN IMPROVEMENT DISTRICT

Cherokee Village, located in the beautiful Ozark foothills of northern Arkansas, comprises more than 13,000 acres extending into both Sharp and Fulton counties. Conceived in 1954, it was developed by Cooper Communities, Inc. as a vacation-retirement area. There are more than 24,000 lots originally purchased by individuals for home sites, for investment, or for enjoyment of the amenities in the Village.

Upon substantial completion of Cherokee Village, Cooper Communities deeded all the amenities to the Suburban Improvement District. The amenities now include two golf courses, seven lakes, three recreation centers, fire protection services, and a number of parks and other facilities
