

## WAKE BOAT GUIDELINES

- Wake surfing is only allowed on Lake Thunderbird in the area outlined on the map.
- Within this designated area wake surfing must stay to the center of said area and wake surf in a relatively straight line.
- Wake boats cannot make 180° turns with a surfer engaged. Wake surfing in the designated area can only be in straight lines.
- A wake boat cannot have the ballasts or bladders filled in any other part of the lake other than the outlined area.
- The designated area will have marked buoys at each end to denote where the area begins or ends.
